Please note that the entry forms can be filled out before printing, for your convenience. Please send all questions to the race meet secretary at terryacolbert@yahoo.com

Early entries close on Wednesday, April 13, 2016 at the Race Secretary's home. Save yourself some money by pre-entering. Pre-entries are accepted by mail only. If you do not pre-enter but are planning to attend, please, send an email to Terry, the meet secretary, at terryacolbert@yahoo.com in case we need to contact you.

Attention exhibitors:

We need your help!! Racing is a labor intensive sport that requires ALL people entering hounds to help work the meet. This includes line judging, foul judging, and boxing or catching dogs. This is the only way that a meet can be successful. We must have at least 8-10 people working in order to hold the meet successfully. If you do not pre-enter, please let us know if you plan to come so we may contact you in the event that the meet is canceled. Thank you in advance for your assistance.

Please check out the SLASH website at <http://www.slashcoursing.org/for> all of SLASH's upcoming events and mark your calendars!!
